Conference Participants

Maj Munch Andersen
Senior Scientist, Department of Management, Technical University of Denmark

Richard Appelbaum  (Conference Organizer)
Professor of Sociology and Global & International Studies; co-principal investigator, Center for Nanotechnology in Society, University of California, Santa Barbara

Usha Balakrishnan
President of  CarthaGlobal Ventures

Romanus Berg
CIO,  Ashoka

Jurron Bradley
Senior analyst,  Lux Research

Carlos Henrique de Brito Cruz
Professor, Physics Institute, University of Campinas (UNICAMP) and Scientific Director, The São Paulo Research Foundation (FAPESP)

Huang Can
Research fellow at the United Nations University-MERIT and Maastricht University, The Netherlands
Hongda Chen  
National Program Leader, Bioprocess Engineering and Nanotechnology, Cooperative State Research, Education and Extension Service, U.S. Department of Agriculture

Christopher J. Chetsanga  
President, Zimbabwe Academy of Sciences

Vicki Colvin  
Kenneth S. Pitzer-Schlumberger Professor of Chemistry and Professor of Chemical & Biomolecular Engineering, Rice University

Meredith Conroy  
Fellow, Center for Nanotechnology in Society, University of California, Santa Barbara

Susan Cozzens  
Associate Dean for Research, Ivan Allen College of Humanities and Social Science, Georgia Institute of Technology

Anna Davison  
Media Coordinator, Center for Nanotechnology in Society, University of California, Santa Barbara

Jesse Farrell  
PhD Student, Civil and Environmental Engineering, Rice University
Guillermo Foladori  
Professor, Autonomous University of Zacatecas, Mexico; Coordinator, Latin America Nanotechnology and Society Network

Anuradda Ganesh  
Department of Energy Science and Engineering, Indian Institute of Technology Bombay

Summer Gray  
Fellow, Center for Nanotechnology in Society, University of California, Santa Barbara

Jose Gomez-Marquez  
Program Director, Innovations in International Health initiative, Massachusetts Institute of Technology

Pavni Aeshini Guharoy  
Manager, Indian American Council & Sector Specialist for Healthcare

Barbara Herr Harthorn  
Director, Principal Investigator, Center for Nanotechnology in Society, University of California, Santa Barbara; Executive Committee member, University of California Center for Environmental Implications of Nanotechnology

Thembela Hillie  
National Nanotechnology Advisory Board, Council for Scientific & Industrial Research, South Africa
Kent Hughes  
Director, Science, Technology, America, and the Global Economy, Director, Wilson Center on the Hill, Consulting Director, Global Energy Initiative, Woodrow Wilson International Center for Scholars

Noela Invernizzi  
Professor, Federal University of Parana, Brazil; Coordinator, Latin America Nanotechnology and Society Network

David Irvine-Halliday  
Founder, Light Up The World Foundation; Professor, Department of Electrical and Computer Engineering, University of Calgary, Canada

Tom Kalil  
Deputy Director for Policy, U.S. Office of Science and Technology Policy

Raphael Kaplinsky  
Professor, The Open University, United Kingdom, Department of Development, Policy, and Practice

Gayatri Koolwal  
Economist, The World Bank
Peter Kozodoy  
Visiting Researcher, Department of Environmental and Civil Engineering, University of California, Berkeley

Kristen Kulinowski  
Faculty Fellow, Department of Chemistry, Rice University

Scott Lacy  
Executive Director, African Sky; Professor of Anthropology, Fairfield University, Connecticut

Holly Ladd  
Academy for Educational Development, Vice President and Director, AED/SATELLIFE Center for Health Information and Technology

Nastassja Lewinski  
PhD candidate, Bioengineering, Rice University

David Lewis  
Professor of Social Policy and Development, London School of Economics

Andrew Light  
Senior Fellow, Center for American Progress, Director, Center for Global Ethics, George Mason University

Erica Lively
Participants: Emerging Technologies/Emerging Economies conference

Fellow, Center for Nanotechnology in Society, University of California, Santa Barbara

Paulo Roberto Martins
Professor, Research Technology Institute of São Paulo State, Brazil

Andrew Maynard
Chief Science Advisor, Project on Emerging Nanotechnologies, Woodrow Wilson International Center for Scholars

Juan Mendez Nonell
Director General, Center for Research in Applied Chemistry, Mexico

Evan S. Michelson
Senior Research Associate, Rockefeller Foundation

Moses Kizza Musaazi
Senior Lecturer, Makerere University, Uganda, Founder and Managing Director, Technology for Tomorrow

Todd Osman
Executive Director, Materials Research Society

Alexis D. Ostrowski
PhD Candidate, Chemistry, University of California, Santa Barbara
Alejandro Pacheco
Programme Officer for Private Sector and Development, United Nations Development Programme

Rachel Parker  (Conference Organizer)
PhD Candidate, Sociology, University of California, Santa Barbara, Research Fellow, Center for Nanotechnology in Society

Mihail Roco
Senior Advisor for Nanotechnology, U.S. National Science Foundation

Dave Rejeski
Director, Program on Emerging Nanotechnologies, Woodrow Wilson International Center for Scholars

Jennifer Rogers
Postdoctoral Fellow, Center for Nanotechnology in Society, University of California, Santa Barbara

R. Kalpana Sastry
Principal Scientist, Agricultural Research Systems Management and Policies Division, National Academy of Agricultural Research Management, Indian Council of Agricultural Research

Mark Shannon
Director, U.S. National Science Foundation Science and Technology Center for Advanced Materials for the Purification of Water with Systems; Director, Micro-Nano-Mechanical Systems Laboratory, University of Illinois at Urbana-Champaign
Denis Simon
Professor, International Affairs, Pennsylvania State University

Roy Smith
Professor of Electrical and Computer Engineering, Director, Initiative for Engineering Partnerships with Emerging Regions, University of California, Santa Barbara

Jeff Spieler
Senior Technical Advisor in Science and Technology in Population and Reproductive Health, U.S. Agency for International Development

Geoff Tansey
Member and Trustee, Food Ethics Council

Jennifer Turner
Director, China Environment Forum, Woodrow Wilson International Center for Scholars

Caroline Wagner
Senior Analyst, Stanford Research Institute International; Research Scientist, George Washington University Center for International Science and Technology Policy

Chen Wang
Professor of Chemistry, Key Laboratory of Molecular Nanostructure and Nanotechnology, Institute of Chemistry, The Chinese Academy of Sciences
Participants: Emerging Technologies/Emerging Economies conference

Kathy Jo Wetter
Researcher, ETC Group

Richard Worthington
Professor of Politics, Department Chair, Pomona College,

Yilin Wu
United Nations University-MERIT; Ph.D. student at School of Statistics, Renmin University of China, Beijing, China

Jimmy Yu
Professor, Director, Environmental Science Programme, The Chinese University of Hong Kong

Amy Zader
PhD Candidate, Geography, University of Colorado, Boulder

Keyun Zhang
Professor, China Agriculture University

Conference Facilitators--Meridian Institute

Mark Jacobs
Ann Olsen
Kerri Wright Platais
Rex Raimond
